Maps/Waze)
Medfield, MA

What: The Gazebo Players will present Shakespeare's Richard III at 5pm on the Medfield State Hospital grounds. They usually offer an eclectic twist on typical Shakespearean plays, so it will not be boring.

The event is free and open to the public.

No need to RSVP...Come at 4pm with brown bag dinners to eat and socialize! Bring your own food, drink, comfy chair and mosquito repellent, just in case.

Since construction on the Arts Center is commencing, this summer's activities are being held just inside the gate to the hospital grounds.

Directions:

Enter the property off Hospital Road.

Park per signage, which will be either on the grass in front of the trailer on the left or on the right in the parking lot with the school buses.

The stage is in the field on the right side of the roadway, just inside the gate. (There is no driving around the property looking for us this summer, the event is right at the entrance!)
