

Read through all of this list before you go shopping!

BEFORE CLASS:

1. Choose a pattern by Laura Heine. Go to her website www.fiberworks-heine.com to see the options. If this is your first collage quilt you are advised to choose one of her “Teeny Tiny” patterns. Find those easily by typing “teeny tiny” in the search box on the left of the page.
2. Read over the supply list on the back of the pattern. Pay special attention to fabric suggestions.
3. Choose fabrics to match the colors of your chosen picture/pattern. The following are edited amounts suggested for this class.
 - 3” x 11” pieces of fabric fit neatly on the Lite Steam a Seam 2 but smaller or larger pieces are also easy to use
 - Check your stash for a variety of colors in scraps! You do not need lots of yardage, but you do need lots of variety!

WHAT TO BRING TO CLASS:

- Laura Heine collage pattern
- Fabrics chosen for the project
- Goddess pressing sheet, 17” x 24” is best, or any Teflon applique sheet
- Lite Steam a Seam 2: 2 or 3 packages (there are 5 sheets per package) **OR** 1 to 2 yards purchased from a roll at a quilt shop.
- Optional Supplies
 - Theme fabrics for your piece. Examples: Specific motifs to coordinate with your subject, for instance sewing fabrics may have some interesting motifs you could use on her pincushion pattern or her dress form pattern. Think creatively!

 - Scissors

Finishing supplies will be discussed in class. This will include background fabric, backing fabric, batting, thread choices, and binding materials needed to complete the quilt.
