RNQG BOUTIQUE WORKSHOP

QUICK & EASY PILLOWCASE (burrito style construction) W/FRENCH SEAMS

Instructor: Jacqui O'Brien

Ann's Fabrics, 235 Turnpike St., Canton

November 14, 2026, 10-2pm

These pillowcases are quick and easy to make. The French seams give them a professional finish. Adding a contrasting band and cuff make all the difference. The supply list has measurements and fabric sizes for both standard-size and king-size pillowcase. For sale items at the Boutique, we recommend the standard size.

FOOD:

Consider bringing a snack/beverage, lunch. Please make sure the beverage is covered, avoid spillage.

TAKE-HOME INSTRUCTIONS: A document will be available at the workshop.

PREPARATION: If you can cut the fabric before class, that would be ideal. During class, you should be able to make two pillowcases.

SUPPLY & EQUIPMENT LIST: During class and for the Boutique, we will make standard-size pillowcases.
