

QUILTING BUDDIES 2026-2027

We are so happy that you are joining Quilting Buddies! This questionnaire is a way of letting your new buddy know a bit about you. Except for your name and address, feel free to leave any of the questions blank. Also, add any details about yourself that you'd like to share.

PLEASE RETURN NO LATER THAN SEPTEMBER 30, 2026 Starting that week, we will “match” buddies. A copy of your new buddy’s questionnaire will be sent to you so you can begin bringing cards or small gifts marked with your buddy’s name to the next guild meeting. You can also send items to your buddy’s home address, just don’t put your return address!
